On Wednesday morning Capt. Longmire received orders to break camp. Thereupon the soldiers went to work, packing their tents, baggage, etc. and bidding good bye to friends and left on the afternoon train Thursday for their homes.

Whisky the Cause.

On last Saturday evening, at a blind tiger, near Oakdale John Farmer, Jr. shot and wounded Shelby Kilbourn, whereupon Simpson Brandenburg shot and killed John Farmer. Kilbourn has since died of his wounds. It is reported that the parties were drinking and that the trouble came up over a trivial matter. Nearly all the crimes that have been committed in this county can be traced to pistol carrying and blind tigers. Can't these evils be stopped.

Three of a Kind.

In another column will be found the barber shop locals. Mr. Whitaker, proprietor, located here several months ago. He opened up his shop on College avenue, running only one chair, but he soon found out that he was unable to accommodate his steady increasing trade, so he then employed "Scotty," that well-known and popular little Irishman, who needs no introductory from us as a barber. He lately moved to Court street, and has installed another chair, making three in all, employing Mr. G. Z. Dyer, another popular and accommodating tonsorial artist, to take charge of the third chair. This trio — "Scotty," from Ireland, Dyer, from Frankfort, and the "boss" (Whittaker) from Manchester, makes a trio that can't be beat, so if you want a nice, clean shave, or an up-to-date hair cut, give them a trial—that's all.

Notice!

Any person or persons destroying any property of the Jackson Electric Light and Power Co.'s lines, lamps, etc., will be prosecuted to the full extent of the law.

THE FORD'S BLACK-DRAGHT FOR CONSTIPATION

Constipation is nothing more than a clogging of the bowels and nothing less than vital stagnation or death if not relieved. If every constipated sufferer could realize that he is allowing poisonous filth to remain in his system, he would soon get relief. Constipation invites all kind of contagion. Headaches, biliousness, colds and many other ailments disappear when constipated bowels are relieved. The Ford's Black-Dracht thoroughly cleans out the bowels in an easy and natural manner without the purging of calomel or other violent cathartics.

Be sure that you get the original The Ford's Black-Dracht, made by The Chattanooga Medicine Co. Sold by all druggists in 25 cent and \$1.00 packages.

Slogan, Ark., May 28, 1901. I cannot recommend The Ford's Black-Dracht too highly. I keep it in my home all the time and have used it for the last ten years. I never care my children any other laxative. I think I could never be able to work without it on account of being troubled with constipation. Your medicine is all that keeps me up.
